# WHO IS FLEET?

## LOCAL ROOTS. NATIONAL STRENGTH. ONE FLEET.

**Local Roots. National Strength. One Fleet**
Established restoration brands working together to deliver consistent large-loss capabilities nationwide.

**Decisions Driven By Service, Not Financial Engineering**
We prioritize quality, customer satisfaction, and long-term relationships over short-term financial targets.

**Operator-Led. Field Tested**
Our businesses are led by experienced restoration professionals who understand the complexities of large losses and make decisions grounded in real-world experience.

**Built on Relationships, Not Exit Strategies**
Our focus is on earning trust, delivering consistent results, and building lasting partnerships with carriers and clients.

# THE FLEET DIFFERENCE

Financial visibility at every stage of recovery

## COST CLARITY

**Rough Order Of Magnitude Estimates - Early**

We **establish ROM** estimates up front so clients can plan budgets and make informed decisions.

**You get:** a budget to plan around

## SCOPE CONTROL

**Every Change, And It's Cost Impact, Communicated**

A Commitment to the Number, We stand behind our ROM through disciplined scope management, proactive oversight, and transparent communication of cost changes.

**You get:** Confidence in the estimate. No surprises.

## TIMELY BILLING

**Weekly Invoicing Keeps Costs Visible**

**Weekly invoices** support efficient processing and helps clients track expenses throughout the project.

**You get**: real-time spend tracking
