THE FLEET DIFFERENCE

Financial visibility at every stage of recovery

COST CLARITY

Rough Order Of Magnitude Estimates - Early

We **establish ROM** estimates up front so clients can plan budgets and make informed decisions.

You get: a budget to plan around

SCOPE CONTROL

Every Change, And It's Cost Impact, Communicated

A Commitment to the Number, We stand behind our ROM through disciplined scope management, proactive oversight, and transparent communication of cost changes.

You get: Confidence in the estimate. No surprises.

TIMELY BILLING

Weekly Invoicing Keeps Costs Visible

Weekly invoices support efficient processing and helps clients track expenses throughout the project.

You get: real-time spend tracking
